AIMED for the future

Internationalisation beyond IRO – Cooperation with IT for digital Erasmus

Are you an international relations officer? Do you work in student mobility?

If yes, then save the date and join us!

Find out:

- how digitalisation can boost your work and enable to provide even better service for students who wish to spend part of their studies abroad
- get to know AIMED platform: www.aimed.university
- listen to what students have to say regarding their mobility experience
- enjoy the panel discussion about how IT solutions develop and support internationalisation process
- find out how universities prepare to implement the EU's flagship initiative Erasmus Without Paper

The participation is free of charge but please make sure to [register here \(click\)](#)
